

A vertical collage of five images showing various infrastructure projects. From top to bottom: a modern hotel with curved balconies and palm trees at night; an aerial view of a complex highway interchange with multiple overpasses; the interior of a large tunnel with workers in orange safety vests and a truck; an aerial view of an airport tarmac with several aircraft; and a close-up of a road sign with a 'V' logo and the text 'VIA VERDE' and 'VIA VERDE' below it.

-

A photograph of a modern tram stop. The stop features a long, low canopy with a yellow and black color scheme. The canopy is supported by black pillars. A decorative metal screen with a geometric pattern is visible behind the canopy. The stop is situated on a paved platform with a yellow tactile paving strip. In the background, a tram is visible on the tracks, and there are trees and a clear sky.
